## **Magestic Diamonds** (Magnum Psyche x Diamonds On Fire)

Magestic Diamonds is a very flashy, eye catching, chestnut with flaxen mane and tail, two year old daughter of the magnificent Champion stallion Magnum Psyche and the glamorous AHW Aristocrat Mare, Diamonds On Fire (Le Fire x Benraz Sophia).

Magestic Diamonds' dam, Diamonds On Fire, has produced 3 National Champions, Bey Shahntay (Bey Shah), Diagramm (Monogramm), and Diamonds Afire (Afire Bey V) and Regional Champion HM Bey Amirage (Bey Shah) now owned by world renowned breeder, Count Zichy Theissen.

Diamonds On Fire is respected in the Arabian community for the quality she consistently passes on. She also is unusually consistent with producing horses with amazing dispositions that display keen intelligence. Her get are gentle, kind and friendly, are quick to learn and have what I call a lot of "try". They really do want to please. They are extremely smart horses. As a breeder I have experienced even Diamonds On Fire's grandget display these same tendencies with regards to their dispositions and easy trainability. Definitely something to be desired.

Magestic Diamonds displays the fine qualities of both parents supremely. Depending on which one you are looking at it is easy to see resemblances. Magestic Diamonds will make a top quality competitive Western Pleasure horse and later a valuable broodmare.
