Sala Hilal

(HM Lytemyfyre X VP Tatiani)

Sala Hilal is a stunning 15 hand yearling on her way to 16-16.2 hands! She is royally bred and wears her pedigree well with exotic beauty! Sala's sire is a look alike son to the great Bey Shah. Sala's dam is a daughter of U.S. National Ch. Shaikh Al Badi and is out of a daughter of two national champions—El Hilal and Chloette!- As if that isn't enough she is a granddaughter of Diamonds On Fire! A pedigree that raises eye brows and beauty that drops jaws!

She is typey with perfect confirmation. Aside from being appropriate as a halter horse, Sala is a sporthorse, hunter/jumper prospect but she may be appropriate as a Western Pleasure prospect, time will tell.

Private Treaty.
